What participants said about EAST MEETS WEST 2007: WHAT MAKES THIS EVENT UNIQUE

- I was so impressed and grateful for this wonderful learning experience. (Donna Lozito, USA)
- Pleased with the thorough and systematic approach to case taking. (Seamus Byrne, Ireland)
- Excellent walk through of case taking. Many thanks! I have much new material to work with and leave more excited in this new adventure. (Shamai Currim, USA)
- It was a dream come true for me to learn from Dr. Frederik and Dr. Farokh in live. The workshop has boosted confidence in me. I have learnt so much these five days which I couldn't get in all these years of my practice. The one to one interaction was the best part. I hope to attend more seminars in future. (Jasmeet Kaur, India)
- I always learn a lot through live cases I cannot wait for next year to see the follow ups. (Birgitta Williams, Sweden)

- My stay in India has been a great new inspiration to my practice in Holland. I would like to thank Frederik for his clear overview of so many aspects of homeopathy. Farokh knows he has given me a connection from the heart with his clinic and most of all with himself. Thank you very much! (Paul Albers, Netherlands)
- I was pleased with the friendly atmosphere, the mixture of culture, the different points of view and so much information at once. (Jana Vohnyzkova, Czechia)
- Very good conference! Many thanks to Frederik, Farokh and all who arranged it. This is not only a conference about homeopathy, it's also a conference about people from all cultures and that will in time bring peace. (Diana Olavssonberg, Sweden)

**Wednesday, February 6 —
Sunday, February 10
2008**

CONCEPT:

During the course of this seminar, you will have the opportunity to study with 6 of the most accomplished and skilled homeopaths of our time. Their unique ability to teach the art of homeopathic medicine has enabled countless students to master their techniques and achieve the consistent successful results of the masters.

- A fully **clinically oriented course**, based on acute and chronic cases.
- **Live cases**, including advanced pathology.
- Follow up of the patients seen in 2007 will be presented.
- Emphasis on **practical case taking for successful prescribing** including: symptom importance; patient analysis; choosing the proper repertory; rubric selection; case analysis and remedy differentials.
- The different teachers will teach as a panel and invite optimal interaction from participants.
- The course will be consensus oriented, emphasize transparency and involve course participants (not authoritarian).
- Efficient use of video technology.

IN ADDITION:

There will also be opportunities to visit homeopathic clinics and hospitals before and after the seminar. You will be able to sit in with their patient consultations as well as attend their clinics. What a fabulous opportunity

to completely immerse yourself in homeopathic study!

A visit is planned to the 60 acres campus of the first Homeopathic University (under construction with Government support, near Jaipur).

B. Jain Book Publishers will give each participant in the seminar an invitation to visit them in New Delhi and receive a discount coupon which can be used on all books purchased from them while in India.

He has also founded the Masi-workshops in Belgium and Holland.

Jaipur

'The Pink City'

Jaipur is 260 km from Delhi, capital of India and 240 km from Agra and forms the most chosen tourism golden triangle of Delhi, Agra and Jaipur. The old Jaipur painted in pink can grip any visitor with admiration.

Stunning backdrop of ancient forts Nahargarh, Amer, Jagarh and Moti Dungri are dramatic testimonials of the bygone era and a reminder of their lingering romance.

In February the maximum temperature is about 22 °C (72 °F).
